

# Church of Bass Sponsor Partnership Deck

Prepared: 2026-06-05

## The Offer

Church of Bass is building a mobile worship environment centered on bass, dance, rhythm, silence, consent, and care. We are seeking equipment partners who want their gear used visibly, responsibly, and meaningfully in a documented community setting.

## Why Gear Matters

- Sound is the primary worship architecture.
- Lighting turns temporary spaces into sanctuary.
- Cases, power, and safety gear make the mobile church viable.
- Documentation gear creates proof for sponsors and future partners.

## Current Status

Church of Bass is a church and religious community relying on the IRS automatic church tax-exemption rules for churches that meet IRC Section 501(c)(3) requirements. Church of Bass does not claim an IRS determination letter and does not provide donor tax advice.

## Sponsor Tiers

### Founding Resonance Partner

For major audio system, subwoofer, mixer, or full launch-package support. Receives website sponsor page listing, launch thank-you post, product-in-use media, case-study inclusion, and first conversation on future expansion.

### Sanctuary Sound Partner

For speakers, subs, mics, monitoring, mixer, or tuning support. Receives public thanks, product photos, and gear-use notes.

### Lighting And Visual Partner

For wash lights, movers, control, haze/faze, projection, LED, or visual tools. Receives visual credit in media posts and event documentation.

### Mobile Temple Logistics Partner

For cases, carts, racks, storage, cables, cable ramps, power, and safety gear. Receives sponsor credit and road-use documentation.

## **Community Access Partner**

For local rental sponsorship, labor, training, storage, insurance, printing, signage, or transportation support.

## **What We Can Provide**

- Sponsor credit on website and launch materials.
- Social thank-you posts after support is confirmed.
- Product-in-use photos and short clips.
- Written case study after first major gathering.
- Sponsor mention in press/media kit.
- Field feedback from real mobile worship use.

## **What We Will Not Promise**

- Guaranteed attendance numbers.
- Guaranteed press coverage.
- Guaranteed sales.
- Donor tax advice.
- IRS approval language.
- Unsafe or legally unclear activations.

## **Priority Gear Bundles**

1. Sound system: PA tops, subs, mixer, mics, monitoring.
2. Lighting sanctuary: wash fixtures, feature lights, DMX/control, haze.
3. Mobile logistics: cases, carts, racks, cable management.
4. Power and safety: distro, cable ramps, SPL meter, hearing protection.
5. Documentation: camera, recorder, lights, SSDs.

## **Call To Action**

Introduce us to the right sponsorship, marketing, dealer, demo, B-stock, or local rental contact. We are ready to share the equipment plan and one-page sponsor brief.
